### **SPRING RECITAL COSTUMES**

All costumes for the spring recital must be paid for BEFORE February 1<sup>st</sup>. If you are not participating in the spring recital please be sure your instructor knows. This is the last order of costumes we will place before recital; if your costume is not paid for in full it will not be ordered. FYI: recital dates, June 12<sup>th</sup> (dress rehearsal) 13<sup>th</sup>, 14<sup>th</sup>, 15<sup>th</sup>.

As many of you know some of our recital costumes have already arrived. This is to ensure that your dancer's costume fits; we have been trying them on in class and will continue to do so as they arrive.

### **What's Happening In Class?**

Classes will continue to work on technique this month in preparation to begin their recital dances by the beginning of March.
